

Many Gifts, One Nation: St. Peter will join Catholic schools across the nation by participating in the NCEA's Day of Giving Campaign. We participated last year and raised over \$1400. These monies were used to upgrade our technology.

This year, the faculty at St. Peter determined we have a more pressing need. Our swing set is in dire need of replacement. It is our understanding this swing set is estimated at over 60 years of age. It is definitely showing signs of age. Our goal is to ensure the safety of all our students during organized play. If our goal of \$7609.00 is reached we will purchase an 8'-6 swing bay set (Arch swing). The above amount includes materials, hardware, swings, chains, freight, and installation. It also includes ground preparation with a skid loader and removal of old swing.

We are asking that you participate in this annual Giving Day. The funds will be used to replace our swing set, which the students enjoy using during recess. At this time, we have a private donation of \$1000 and our Student Council has pledged \$500.00. We are off to a great start! Please help us reach our goal by donating on this day using the link provided below.

St. Peter is so lucky to have such a wonderful group of people who love and support our school. Thank you again for all that you do for our children.
